BEKEY ORANGEBOX

WHAT IS IT?

The BEKEY OrangeBox is an integrable unit designed for unlocking doors via Bluetooth connected device. Use it to open your pool, gym, laundry, business office, gates and most existing access controls. Offer your residents the convenience to use their smart phone as a key to come and go across the property.

YOU HAVE TOTAL CONTROL.

- Manage your amenities via the NETKEY web based software.
 - Set access schedules for each amenity
 - See who is coming and going
 - Add and remove access with a click of the mouse
 - Send a SMS message to users when changes are made
- Tenants unlock doors with the free BEKEY smart phone APP.
- High security: 256-bit encryption.
