

LEVITON

2014 FIVE STAR
INSTALLER PROGRAM

USA

www.leviton.com/automation

Why should I join the program?

The new Leviton Installer Program is designed to highlight our top dealers and integrators to ensure we meet our customers' expectations of a professional installed solution. Starting in 2014, the annual program will be an open enrollment throughout each year.

What is required to join the Leviton Five Star Program?

- Step 1: Complete Online Questionnaire at leviton.com/fivestar
- Step 2: Security & Automation Approved training
- Step 3: Choose between being a Five Star Dealer for Residential, or Five Star Integrator for Commercial
- Step 4: Complete 2 appropriate Installs within 90 days of completing this questionnaire, email to CZuccaro@leviton.com
- Step 5: Once approved by local management, you will now be part of the 2014 program
- Step 6: Only purchases of S&A Products through Authorized S&A Distributors will qualify towards any benefits. Inquire for current listing.

What if I am a 2013 Domestic Five Star Dealer?

- Step 1: We will auto-enroll you, once you fill out the questionnaire, at leviton.com/fivestar
- Step 2: Provide Proof of Purchases that were made in 2013.

What do I gain?

- 1) Leads that have been pre-qualified from Leviton.com will require your engagement with the customer within 48 hours upon receipt
- 2) Quick Ship Replacement Warranty Program – inquire for details
- 3) Recognition plaque and a copy of our Five Star Program logo
- 4) A custom toll-free technical support number enabling you to be elevated in the queue plus access to our top Technical Support team members
- 5) Access to free marketing collateral, including printed materials
- 6) Accessibility to Leviton showroom demo program
- 7) Five Star Program pricing.

A Proven History of over 100 years

Leviton is the largest privately-held global provider of electrical wiring devices, data center connectivity solutions and lighting energy management systems.

We've built a portfolio of over 25,000 products and 600 patents

We manufacture more than 2 million units a day

We employ nearly 7,000 people

We operate in over 80 countries

Worldwide sales and technical support.

The Extra Mile

Every year, Leviton Security & Automation rewards exemplary installers and integrators that go above and beyond with their services and product knowledge. For over a dozen years, these individuals have solved challenges with our products and continue to make the Smart Choice.

These select companies receive sales leads as part of our new leads database efforts, have direct access to free print literature, and are offered exclusive promotions, amongst other benefits. Their valuable input during the application process helps shape product development, marketing material creation, and overall business operations.
