

NuVo T2SIR Dual Radio Tuner Features

2 Streams of Audio	Use this unique dual tuner to play different stations in two different rooms.
AM/FM	The AM/FM tuners provide access to your local broadcasts.
SIRIUS	The SIRIUS-Ready tuner brings the best of SIRIUS Radio's wide variety of stations to your home's audio system.
State-of-the-art-reception	Advanced, state-of-the-art tuners provide crisp, clear reception.
Superior Power Efficiency	Utilizing less than 1 watt of power in standby mode, the T2 tuner is one of the most efficient in its class.
Customizable Presets	Get straight to the music. A list of favorite stations can be created and saved so you can easily access those channels without scanning.
IR Control	Music can be controlled through a third-party remote control.
NuVoNet Platform	Displays Song and Album information on any NuVo controller for easy control and navigation of your stations.
Digital Display	The sleek OLED display offers simple setup with control from the adjacent touch pad.
