

Hear What You've Been Missing with the NEW IMPROVED SE5000 **SuperEar**®

The popular SE4000 SuperEar has been re-engineered and re-designed to meet customer wishes and is now the SuperEar SE5000!

- Uses the latest state-of-the-art SMT microelectronics for crystal clear stereo amplification
- Gone is the long microphone and wind cover, replaced by a shorter swivel microphone
- In addition to stereo headphones, the SE5000 includes comfortable and discreet earbuds
- Like the SE4000, the new SE5000 still provides up to 50+ dB sound gain
 - ...adjusts with a simple on/off/volume control wheel
 - ...and provides up to 30 hours with one AAA alkaline battery.
- Constructed of attractive and durable ABS Plastic
- Three Year Limited Warranty

CMS and ADA Compliant

Compatible with SuperEar Sanitary Disposable Earpad Covers
(Model EPC100) for Multiple Patient/Users.

*Ideal for watching TV,
improved hearing at
meetings or worship
services or simply for
gaining more enjoy-
ment from simple
conversations.*
