Yale Real Living™ Digital Door Viewer | Premium

Black: AYRD-DDV7001-693
Silver: AYRD-DDV7001-619

- View or take clear still images or video with a 0.3 megapixel camera.
- Automatically record visitors while you're there or away.
- The camera is armed with infrared capabilities so even in reduced lighting conditions, you'll get a clear picture in any light.
- The Yale Digital Door Viewer is so easy to operate, it is an ideal solution for children and the elderly.
- With every push of the doorbell the Digital Door Viewer automatically records an image.
- Embedded SD memory card is removable. Let's you store your images and videos.
- Battery operated – no need for special wiring. The Digital Door Viewer will let you know when the batteries are running low.
- 3.5" TFT (Thin Film Transistor) LCD Screen — Lets you comfortably and easily view your entrance and who ever is standing in it.
